- 1. Apologies for Absence:** Cllr Reeves
- 2. Declarations of Disclosable Pecuniary Interests and Other Significant Interests:**
None
- 3. Planning application:** CA /20/00242 proposed single-storey detached building. The King's Yard, The Street, Kingston CT4 6JQ
This site lies within the ANOB and it was felt that the planning of this building has attempted to be sympathetic to the style of the existing commercial building which has been on the site for some time. Nearest neighbours to the site have concerns about any further development, but this would be subject to future planning applications and consequent scrutiny. Three councillors had no objections to the application.

Payment: Kingston Tree Care – emergency tree work £240.00, proposed by Cllr Pearson, seconded by Cllr Stribbling.
- 5. Update on Nailbourne flooding:** a number of sand-bags have been moved from the stock at The Peak to The Black Robin for emergency use.:-
- 6. Other urgent issues:** the following were noted:-
 - Clear-up and chipping on the Embankment planned for 21st March
 - Request for a stall form the Playground Appeal at the May Fete on 2nd May
 - Reporting of 3 cases of fly-tipping to CCC
